White House Reverses Stand on Making Items Available

by John Herbers

Washington, 5 June - .....

So shaken was the White House staff by the mix-up on the White House logs that Mr. Warren*said a new procedure would be established on questions relating to Watergate. Hereafter, he said, such questions would be submitted to White House lawyers under a system of delayed answers, and on occasions one of the lawyers would be brought into the news briefings to help the President's official spokesmen.
